Delwyn Garland Rees, Geoffrey Lloyd Rees and Richard Rees.

It is recommended that the half-year financial report be read in conjunction with the annual report for the year ended 30 September 2016 and considered together with any public announcements made by Sietel Limited during the half-year ended 31 March 2017 and to the date of this report in accordance with the continuous disclosure obligations of the ASX listing rules.

REVIEW OF OPERATIONS

The investment properties owned by the Chief Entity have been tenanted for the half year with the exception of one small office that has been successfully leased post 31 March 2017.

Cook's Body Works Pty Ltd, continued to occupy one of the Chief Entity's properties in the Moorabbin area.

Cook's Body Works Pty Ltd has continued to experience varied results with fluctuating demand for its product, thereby hindered profitability.

Cook's management have worked on expansion of the customer base and product offering to improve sales and margin performance of the business.

The Company's management assisted by the non-executive directors have reviewed various investment options in the real estate, listed equities, direct investment and product development markets over the half year with the objective of improving the medium to long term performance of the group.

The directors continue to review the balances of investment fund allocation between cash equivalents and longer term investments such as listed equities, real estate and operating businesses via subsidiary companies with the objective of achieving long term profitable performance, but realising current gains as opportunities arise.

The subsidiary AAA has experienced difficulty with their third party offshore manufacturer. The distribution of a limited range of domestic gas water systems into the Australian market has resulted in issues relating to the production process. These issues have since been resolved, with the expectation that the manufacturer will correct all previously purchased products.

The Cylinder Company operated below budget during the half year and is currently reviewing its charge rates with the objective of improving performance.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SIETEL LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Sietel Limited, which comprises the condensed consolidated statement of financial position as at 31 March 2017, the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the consolidated entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 March 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Sietel Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001* has been provided to the directors of Sietel Limited.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Sietel Limited is not in accordance with the *Corporations Act 2001* including:

- a. giving a true and fair view of the consolidated entity's financial position as at 31 March 2017 and of its performance for the half-year ended on that date; and
